## INTRODUCTION

7. Government Institute of Medical Sciences, Greater Noida, is an autonomous tertiary care institute of Government of UP, with a mission to provide affordable health services to all sections of the society and has been envisioned to be in the forefront of providing excellent professional medical education and multi-disciplinary research. The institute has started MBBS (2019), DNB (2020), College of Nursing (2021), Paramedical School (2021), Post Graduate courses (MD/MS) and Super Speciality (2026).
8. GIMS was established with an aim to improve the status of health of the rural and urban population of western Uttar Pradesh, by providing a state-of-the-art health facility as well as facilitating equitable access to quality health care through a revamped health care system, targeted outreach services as well as involvement of community and local bodies. The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination along with developing GIMS as a centre of excellence in the field of health delivery system, medical education and research. Recently, GIMS has been awarded by the Hon'ble Minister of Medical Education Shri S.K. Khanna Ji, the "**Best Covid care institute**" among the 67 Medical colleges in Uttar Pradesh in terms of Maximum patient load, maximum Research and best innovations.
9. The institute has state of the art infrastructure, modular operation theatres, well equipped high-end equipment and NABL accredited laboratories, and highly advanced Skill lab. The faculty at GIMS is from reputed institutions, highly experienced and dedicated, well versed in latest Medical Education Technology and trained in newer curriculum guidelines from the MCI/NMC. The hospital has established multi-disciplinary Research unit (MRU), Viral Research development laboratory, Paramedical training institute and skill development centre.
10. GIMS is 630 bedded fully functional hospital providing comprehensive care in all the broad specialties. There are approximately 1500-2000 patients are visiting every day and more than 400 patients are admitted in the hospital. The total no of patients reported in 2025 were 469040 OPDs and 33654 patients were admitted.
11. The institute is providing various medical facilities as critical care, surgeries, Investigations, Dialysis, CT scan etc. to the patients. Due to its location at the gateway of NCR, there is a huge demand of Medicare in the region and the institute needs to develop in to a large multispecialty hospital. The Workload of patients over last 5 years is as follows:-
