BACKGROUND

1. **Government Institute of Medical Sciences, Greater Noida**, is an autonomous tertiary care institute of Government of UP, with a mission to provide affordable health services to all sections of the society and has been envisioned to be in the forefront of providing excellent professional medical education and multi-disciplinary research. The institute has started MBBS (2019), DNB (2020), College of Nursing (2021), Paramedical School (2021) and Post-Graduation MD/MS (2024).
2. GIMS was established with an aim to improve the status of health of the rural and urban population of western Uttar Pradesh, by providing a state-of-the-art health facility as well as facilitating equitable access to quality health care through a revamped health care system, targeted outreach services as well as involvement of community and local bodies. The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination along with developing GIMS as a centre of excellence in the field of health delivery system, medical education and research.
3. The institute has state of the art infrastructure, well equipped high-end equipments and laboratories, along with Skill lab. GIMS hospital is 630 bedded hospital. There are more than 1500 patients are visiting every day and more than 450 patients admitted in the hospital and the workload is exponentially increasing. And patients are coming from western UP, Haryana, Uttarakhand and Rajasthan. The total no of patients reported in 2024 were 395107 OPDs and 27047 patients were admitted.
4. The vision of GIMS is to develop it as Centre of Excellence in Patient Care, Medical Education and Biomedical Research. In last 5 years, the institute has increased its patient workload by more than 5 times, Surgeries and deliveries by more than 3 times. The institute is performing complex surgeries, joint replacements, laparoscopic surgeries, dialysis and highly intensive care of critically ill patients. On Research front, there are over 150 Research projects are undergoing including 21 Extramural projects under aegis of ICMR, CSIR, WHO, Ministry of Health and Family welfare and WHO. The Institute also having ICMR sanctioned Multi-disciplinary Research unit (MRU) and Viral Diagnostic and Research Lab (VRDL). GIMS hospital is the only Govt hospital in UP to have NABH and NABL certified by the Quality Council of India.
5. The patient workload is exponentially increasing day by day. The patient work load of the GIMS hospital of last 7 years is as follows:-

IPD WORKLOAD 2018-2024

OPD WORKLOAD 2018-2024

PROGRAM OVERVIEW-

1. Primary Response in Intensive Care & Mechanical Ventilation-Care Training (PRIME-Care) (ICU TRAINING) (Accredited by Govt. of UP)

Core/ Basic ICU Training Program for Nurses and Technicians

Modules Covered

- Introduction to ICU care
- Advanced Patient Monitoring
