INTRODUCTION

7. Government Institute of Medical Sciences, Greater Noida, is an autonomous tertiary care institute of Government of UP, with a mission to provide state of the art patient care to all sections of the society and has been envisioned to be in the forefront of providing excellent professional medical education and multi- disciplinary research. The institute is affiliated with Prestigious Atal Bihari Vajpayee Medical University Lucknow. GIMS has started MBBS (2019), DNB (2020), College of Nursing (2021), Institute of Paramedical Sciences (2021) and Post Graduate courses (MD/MS) (2024).
8. GIMS was established with an aim to improve the status of health of the rural and urban population of western Uttar Pradesh, by providing a state-of-the-art health facility as well as facilitating equitable access to quality health care through a revamped health care system, targeted outreach services as well as involvement of community and local bodies. The Mission of the institute is to provide comprehensive medical facilities to each and every life without discrimination along with developing GIMS as a Centre of excellence in the field of health delivery system, medical education and research.
9. The institute has state of the art infrastructure, modular operation theatres, well equipped high-end equipment and NABL accredited laboratories, and highly advanced Skill lab. The faculty at GIMS is from reputed institutions, highly experienced and dedicated, well versed in latest Medical Education Technology and trained in newer curriculum guidelines from the MCI/NMC. The hospital has established multi- disciplinary Research unit (MRU), Viral Research development laboratory, Paramedical training institute and Skill development Centre.
10. The vision of GIMS is to develop it as Centre of Excellence in Patient Care, Medical Education and Biomedical Research. The hospital has an excellent infrastructure, high-end equipments, modular OTs and Skill lab. In last 6 years, the institute has increased its patient workload by more than 4times Surgeries by more than 3.5 times. The institute is performing complex surgeries, joint replacements, laparoscopic surgeries, dialysis and highly intensive care of critically ill patients.
11. GIMS hospital is 630 bedded hospital. GIMS being the only Government Medical College in this region, caters for large no of patients of western UP, Haryana, Uttarakhand and Rajasthan. There are more than 1500 patients are visiting every day and more than 450 patients admitted in the hospital. The total no of patients reported in 2024 were 383467 OPDs and 27047 patients were admitted. GIMS hospital is the only Govt hospital in UP to have NABH and NABL certified by the quality council of India.

PROPOSAL

12. GIMS is proposing to Empanelment for Setting up and Operation of EV Charging Station at predefined location of GIMS Hospital premises.

SCOPE OF WORK

13. GIMS will grant Charging point Operator (CPO) and Commercial Service Operator (CSO) agency to use the Site for setting up and operating an EVCS.
14. Agency will be responsible for installing atleast 04 charging points of Fast Charging EVCS.
15. Agency will be responsible for Design, install, and commission the EVCS at its own cost.
16. Agency will be responsible to obtains all necessary approvals, permits, and consents from statutory authorities.
17. Agency will be responsible to maintain and operate the Charging Station in accordance with applicable laws and standards.
18. Agency will be responsible to ensure minimum disturbance to other occupants (if any) and maintain cleanliness and safety at the Site.
19. For the installation and operation of Electric Vehicle (EV) Charging Stations within the license area, the selected Charge Point Operator (CPO) shall be mandatorily associated with the Distribution Company (DISCOM) holding the electricity distribution license for the respective jurisdiction in which the charging station is proposed to be established. The CPO shall obtain all necessary technical approvals, permissions, and clearances from the DISCOM prior to commencement of installation and operations.
20. GIMS shall provide the requisite land or space necessary for setting up the EV Charging Point.
21. GIMS shall extend local support as may be required, including assistance in obtaining relevant permissions and approvals from local authorities or stakeholders.
22. GIMS will ensure uninterrupted and exclusive access to the identified site for setting up and operating the EVCS.
23. GIMS will cooperate in ensuring the safety and security of installed EVCS infrastructure.
24. GIMS will allow installation of surveillance systems and other security measures on-site.
25. GIMS will permit the installation of branding, signage, and promotional material at mutually agreed locations on the property to enhance station visibility.
26. GIMS will allow regular maintenance, inspection, and service visits by the EVCS operator or its representatives.

FINANCIAL IMPLICATIONS-

27. The agency shall provide the tariff rates for EV users for electricity consumption on a per-unit basis and propose the percentage of revenue sharing with GIMS on the same basis.
28. All user payments for charging services shall, preferably, be processed through the CPO's own secure digital payment system, integrated with appropriate billing and transaction tracking mechanisms. The
