## PROGRAMME INCLUSION

A BCLS (Basic Cardiac Life Support) program focuses on equipping individuals with the essential skills to respond to medical emergencies, particularly cardiac and respiratory emergencies.

These skills are crucial for both medical professionals and the general public, empowering them to act confidently and effectively in emergency situations.

By doing this course one becomes certified BCLS provider.

Key elements include CPR techniques, AED usage, and managing choking emergencies.

Training by qualified trainers on high end mannequins.

**Registration Fee: ₹1500**

**Course Coordinator** Dr Anupriya Saxena, GIMS
