ABOUT GIMS

Empowering Medical Education for Transformation

Affiliated to Atal Bihari Vajpayee Medical University, UP

Government Institute of Medical Sciences (GIMS), Greater Noida, is an autonomous tertiary care institute established by the Government of Uttar Pradesh. The institute is committed to providing affordable healthcare services to all sections of society and aims to be a leader in professional medical education and multi-disciplinary research. The institute houses a 630-bedded hospital with modern infrastructure, advanced medical equipment, well-equipped laboratories, and a Skill Lab. The institute has started MBBS (2019), DNB (2020), College of Nursing (2021), and Paramedical School (2021) & has also commenced MD this year. There are approximately 1500-2000 patients visiting every day, and more than 500 patients are admitted in the hospital. GIMS caters to a 60-bedded ICU and a 30-bedded Emergency.

GIMS VIDYA SETU

In line with its mission to build a competent healthcare workforce, GIMS has established GIMS VIDYA SETU (Skill, Education and Training Unit). This unit embodies the institute's ethos by offering structured skill development programs focusing healthcare professionals and young aspiring youth.
