presents

Basic Cardiopulmonary Life Support Workshop

Certified by
**Indian Resuscitation Council Federation
(IRCF)**

22 AUGUST 2026

 **Charak Hall, GIMS, Greater Noida**

PROGRAMME INCLUSION

A BCLS (Basic Cardiac life support) Program focuses on equipping individuals with the essential skills to respond to medical emergencies, particularly cardiac and respiratory emergencies.

These skills are crucial for both medical professionals and the general public, empowering them to act confidently and effectively in emergency situations.

By doing this course one becomes certified BCLS provider.

Training by qualified trainers on high end mannequins.

Key element

- Early recognition of cardiac arrest and activation of emergency response
- High-quality CPR (adequate depth, rate, and minimal interruptions)
- Airway and breathing management
- Management of Adult choking
- BCLS core link
- Use of AED & defibrillators

Registration Fee: ₹1500

Limited Spots Available.

Learn from experts, enhance your skills.
